After the success of *Metà.llics*, which was represented more than 300 times and which was seen for more than 100.000 people, Spanish Brass has premiered a new pedagogical show, entitled *brass brass brass*.

Spanish Brass new educational show, "**Brass, Brass, Brass**," which the quintet has created to introduce the youngest audiences to the sounds of brass, opens with the rhythm of *Also Sprach Zarathustra*.

The idea for this new pedagogical show is that the youngest public discovers the world of the music across the arrangements for brass quintet of works of great composers as **Rossini, Verdi, Bach, Strauss, Boyce** or **Nino Rota**.

For this new project the group relies on the help of the choreographers **Mari Carmen Griñán, Salut Blasco** and **Toni Jodar**.

Music of many colors and styles, enhanced by attractive choreography and entertaining lighting, makes this a dynamic and captivating show for the whole family.
